Divine Collection | 1-piece

Polymer door

Back of Door Colour

Matching Back (TMS 3/4")

A matching melamine back is used by default, when available. Please refer to this colour chart for availability.

White back (11/16")

When a matching melamine back is not available, items are produced with an 11/16", white back by default. The models Catania, Harlow II, Nanaimo, Paris, Presto, Provence, Stanwick II, Sunrise and Torino however, are required to be produced with a 3/4" thickness white back.
